

American Lincoln Part

American Lincoln Parts - Presently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the industry they are recognized in the business as providing strong and durable equipment that suits all the needs of heavy industry and larger infrastructure. Products made in America; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln could provide machinery, parts and warranty service for these types of scrubbers that carry both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility managers where efficiency and results make a difference. Recently, this floor scrubber model has been requested by the architects in new construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site due to the model's supreme performance level and high standard of quality for polishing concrete.
