

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to providing new design concepts and top quality in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They like offering items which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of workers likes new challenges and new tasks. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements combined with their understanding of cleaning applications, along with owners' strong desire to dramatically lower cost through productivity gains.

The workers at TREK and their dealer-partners are strongly dedicated to having both technical support and parts accessible when it is required. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning equipment ready and functioning day by day is top priority. The company's top of the line technology delivers reliable machinery that ultimately lessens your cost of cleaning. The service, the product and the price all work as one to make them the leader in the business.
